If you wish to apply for this position, please specify that you saw it on AKADEUS.

Corvinus University of Budapest has a 120-year history and is the leading university in Hungary in Business and Management, Economics and Social Sciences. We have around 12,000 students, of which, approximately 2,000 are international.

We are AACSB and AMBA accredited, placing us amongst the world's leading institutions for business. We are the only university in Hungary to hold both of these distinctions.

The Institute of Data Analytics and Information Systems announces two open calls for applications for the Assistant Professor position for 3 years definite period.

The starting date is autumn semester 2023 , but some flexibility is possible. Different schemes for tenure track can be offered in case of mutual satisfaction.
