Full-time Faculty Position in Operations Management & Information Systems Sabanci Business School Sabanci University, Istanbul, Turkiye

We invite applications for one full-time faculty position in Business Analytics to start in Fall 2024 semester. The position will be open for candidates in one or more of the areas including business analytics, machine learning, network analytics, and broader data analytics and applications. Candidates at all ranks are encouraged to apply.

We are seeking candidates with a Ph.D. degree in a related discipline prior to the start date. Candidates should have a strong research record or a clear demonstration of the ability to develop one. Responsibilities include conducting research and publishing in leading scholarly outlets, teaching undergraduate and/or graduate courses in the respective fields, and service to the school/profession/community. The teaching load and salary are competitive and commensurate with qualifications.

The application deadline is July 5, 2024, but candidates are encouraged to apply at their earliest convenience as applications will be reviewed on a rolling basis. Applicants are requested to complete an online application form at <https://sucrm.sabanciuniv.edu/academiccv/application.php>. Please make sure to include OPIM-2024 as the Reference Code. Applicants are also requested to send all their application documents to Professor Nihat Kasap (nihat.kasap@sabanciuniv.edu). All university positions are contingent upon availability of funding.

Sabanci University is a private, innovative academic institution located in Istanbul. It offers excellent facilities within a modern campus located in suburban Istanbul. The university is known for its world-class research and its focus on interdisciplinary learning. Sabanci University was recently ranked #35 among the small universities in the world and #108 among the universities younger than 50 by Times Higher Education. Sabanci Business School is accredited by the AACSB and ranked among the top 60 Business Schools in the Financial Times European Business School rankings. The School offers undergraduate, MBA, Professional MBA, Executive MBA, Masters in Finance, MS in Marketing,

Business Analytics for Professionals and Master in Action Research and Transformation degrees. It also has a Ph.D. program in Management with specialization options in Finance, Management & Organization, and Business Analytics & Operations Management. English is the medium of instruction in all programs.

The School holds strategic international collaborations with Columbia University and runs several centers including Corporate Governance Forum and Entrepreneurship Center. In addition, Sabanci University's Center of Excellence in Finance (CEF) provides opportunities for the development of certificate programs targeted at the business community. In addition, Sabanci University's Executive Development Unit (EDU) provides opportunities for the development of executive education courses and certificate programs targeted at the business community. For further information on the School and the OPIM group, please visit: <https://sbs.sabanciuniv.edu/en>

Sabanci University is committed to the principle of equal opportunity and equal treatment in education and employment. The University respects all individuals without any discrimination of gender, religion, national and ethnic origin, race, color, physical disability, physical appearance, marital or parental status, sexual orientation, age, or political affiliation in the administration of its educational, admission and employment policies, and its scholarship and university-sponsored programs.
