Kia hiwa rā, kia hiwa rā!
He hiahia, he pūkenga nōu ki te mahi a te Pūkenga / Pūkenga Matua? Nāia te pōwhiri nā Te Whare Wānanga o Waitaha kia tono mai i te tūranga nei.

Āu Mahi | What You Will Do

The UC Business School | Te Kura Umanga, University of Canterbury invites applications for a continuing (permanent) position at Lecturer / Senior Lecturer in Information Systems.

Persons with experience across a range of Information Systems areas are encouraged to apply. You will:

- Teach Information Systems courses
- Conduct scholarly impactful research
- Engage in service related activities

The role involves actively contributing to the teaching and research profile of the Department of Accounting and Information Systems through the pursuit of a programme of impactful research, high quality teaching at both the undergraduate and postgraduate levels, curriculum development, postgraduate research supervision, engaging with external stakeholders, and contributing to departmental and university service.

Mōu | Who You Are
You will be an enthusiastic and committed academic who brings strong disciplinary expertise, a collegial mindset, and a passion for learning and discovery.

All candidates must have:

- A PhD in Information Systems
- evidence of excellent teaching ability in the IS discipline
- strong skills in AI and intelligent automation, data analytics, human-centred design.
- a commitment to high-quality, student-focused teaching, innovative pedagogies, and continuous improvement.
- high-level written and oral communication skills
- demonstrated potential or a proven record of publishing in high-quality, internationally recognised journals.
- a collaborative approach and readiness to contribute positively to departmental service and collegial activities.

Successful candidates for the position of Lecturer must show potential to publish in high-quality, internationally recognised academic journals. Candidates for the position of Senior Lecturer will have a proven record of publications in high-quality, internationally recognised academic journals (e.g. ABDC A/A*; Scimago Q1/Q2). Candidates are also expected to provide evidence of academic leadership and successful supervision of masters or doctoral students.

Mahi Ngātahi | Who You Will Work With

The Department of Accounting and Information Systems is one of three departments within the UC Business School. The Department and School provide a collegial and vibrant environment and are committed to teaching and research excellence, and making a

difference in our communities. The UC Business School is accredited by AACSB, EQUIS and AMBA and is known nationally and internationally for innovative, student-centric learning and research.

For more information about the department and our team, please visit our website.

Ngā Painga o UC | Why UC
