Assistant, Associate or Full Professor of Accounting – Managerial Accounting

POSITION

To participate in the continuous development of the EDHEC programs, EDHEC Business School (www.edhec.edu/en) is recruiting a faculty member for the position of an Assistant, Associate or Full Professor of Accounting, with research interests in management control systems, performance measurement and incentives, budgeting and planning, and the role of accounting information in organisational decision-making, as well as work connecting these themes to areas such as sustainability, digitalisation or governance. The successful candidate will be expected to develop high-quality, impactful research and contribute actively to teaching across EDHEC's programs as well as to EDHEC's pedagogical innovation agenda through active and participatory learning approaches.

Location will be on the Lille campus.

ABOUT OUR SCHOOL

As part of its strategic development, EDHEC is looking ahead to 2050 – a pivotal year for

humanity marked by critical challenges such as reducing carbon emissions, protecting biodiversity, addressing inequality, and ensuring universal access to education. By 2050, EDHEC will be graduating students born during the current strategic cycle – young people whose world will depend on the decisions made today.

To maximize its societal impact, EDHEC has structured its plan around three strategic priorities: rethinking business models for the common good (I), equipping students to drive transformation (II), and accelerating the development of climate finance (III).

The “Generations 2050” plan (2024–2028) is backed by a €270 million investment, including €112 million dedicated to the creation of 90,000 m² of Share & Care campuses.

QUALIFICATIONS

- Ph.D. degree
- Evidence of strong research potential for Assistant Professor candidates, or an established record of publications in leading international journals for Associate and Full Professor candidates. Please indicate ABS rankings for published articles.
- Demonstrated ability to teach in academic programs at graduate and undergraduate level
- High capacity to develop pedagogical innovation
- Energy, dynamism, conviction, open-minded, team-player
- Desire to actively engage in all areas of faculty life
- Personal and professional ethics
- Excellent communication skills
- High level of fluency in English
- Ability to teach in French is a plus

At EDHEC, we put diversity at the heart of our practices and know the value of building an inclusive and equitable workplace. Passionate about making an impact on society, we aim to build a team of colleagues representative of the diversity in our communities, and thus strongly encourage all people to apply.

Candidates interested in applying for this position are invited to send a cover letter, a resume, a list of publications and working papers, a list of classes taught (and evaluations) and the names and contact information of two referees at Recrutementsprofs7@edhec.edu.

Inquiries can be addressed to Elie SALAMEH, Head of the Accounting, Control and Law Department, at elie.salameh@edhec.edu

Applications will be considered until the positions are filled or February 28, 2027.
