A full-time position in Entrepreneurship at Assistant professor Level (Research Track)

FACULTY POSITION

emlyon business school invites applications for a research focused position in **Entrepreneurship**. Applications are invited from highly motivated candidates with demonstrate research excellence across all areas of entrepreneurship. The appointment begins in **September 2025**.

The selected candidate will be attached and collaborate with our existing team of professors and researchers in the **Department of Innovation and Entrepreneurship** and in the [InvEnt Research Centre](#) to grow and extend our research and teaching in entrepreneurship. We embrace different research approaches and methods with a keen focus on quality in research.

Teaching opportunities will be mostly at the **undergraduate level (BBA)**, graduate level (**Programme Grande Ecole**) and the **master's level**. Responsibilities for this position include capabilities to design and manage courses in the areas of entrepreneurship. Teaching will be delivered mainly at our new campus in Gerland in Lyon, but can also be delivered on the school's other campuses. The teaching load will be defined on a personal basis and will depend on publication record.

JOB REQUIREMENT

We are looking for candidates with the following characteristics:

- Ph.D. / doctorate degree in entrepreneurship or related area.

- Evidence of research excellence in the field of entrepreneurship, with demonstrated potential to publish in the highest rank journals of the field (e.g., FT list)
- Experience of teaching courses in entrepreneurship, innovation or a related subject, and willingness to take on courses' pedagogical responsibilities, including supervising a portfolio of external lecturers.
- Desire to collaborate in a collegial and dynamic research and teaching team.
- Energy, dynamism, and demonstrated professional ethical values
- Willingness to travel to our other French campuses (Paris).

The candidate will be expected to contribute to and is regularly evaluated based on three areas of activities: (1) research performance, (2) teaching and student supervision, and (3) institutional service (e.g., administration, service in committees, representation of the school in the media and events).

We strongly encourage people of all backgrounds (gender, ethnic background, nationality) to apply.

Fluency and teaching experience in English is required.

The selected candidate is expected to be based in Lyon or nearby area. **emlyon** has set-up a relocation policy to support the moving process.

Salary and conditions are competitive and will be commensurate with qualifications and experience.

THE SCHOOL

emlyon business school, one of the leading French Grandes Ecoles in Management, has consistently been ranked among the top European Business Schools. It holds a triple accreditation (AACSB, EQUIS, and AMBA) and offers a wide range of programs, including a BBA, MSc in Management, Specialized Master's degrees, MBA, DBA, and Ph.D., as well as open and tailor-made executive programs. emlyon business school is ranked among the top 100 best universities and business schools in the world in the latest Shanghai ranking. In the Management category, the school reaches the **top 2 of the best French business schools**.

A world-class institution, emlyon welcomes in its Faculty 163 highly qualified professors whose research informs the scientific conversation as well as the economic and social debates. These professors share and diffuse their knowledge and expertise among our participants via innovative pedagogical designs. The school has four campuses around the world: Lyon, Paris, Shanghai, and Mumbai.

THE ENVIRONMENT

emlyon is at the center of a vibrant ecosystem of large universities with excellent research teams in engineering, computer science, natural sciences, social sciences, and the humanities (see: <https://www.onlylyon.com/en>). Lyon is the second largest city in France, with a long entrepreneurship tradition and a solid digital industry.

By returning to the center of Lyon, emlyon is reclaiming its position at the crossroads of intellectual, scientific, economic and community exchanges.
