Assistant/Associate/Full Professor in Data Science, Machine Learning or Econometrics.

EDHEC Business School (edhec.edu/en) is seeking several new faculty members and invites applications for the position of Assistant/Associate/Full Professor in Quantitative Methods for Business.

Location will be on Lille or Nice Campus.

JOB QUALIFICATIONS: You will have completed a Ph.D. in Statistics, Data Science, Quantitative Economics or Finance with specialization in Econometrics. For senior positions, we expect an excellent track record of publications in top scholarly journals. You will be expected to contribute to teaching courses at both the Bachelor, Master and Ph.D. levels. Fluency in French as a language is not required.

ABOUT THE GROUP at EDHEC: Our group is a mix of senior and junior scholars publishing in top academic journals such as American Economic Review, Econometrica, Journal of Econometrics, Journal of Business and Economic Statistics, Journal of Financial Economics, Journal of Finance, Management Science and Review of Financial Studies. We run several academic seminars and workshops and host a number of leading academics from around the world each year.

ABOUT EDHEC: EDHEC Business School is one of Europe's leading business schools and a

member of the select group of institutions worldwide to have earned all three international academic accreditations (AACSB, EQUIS, AMBA). Finance programs at EDHEC are FT ranked in the top 10 worldwide. In order to maximise its societal impact, EDHEC has organised its plan around three main strategic areas: rethinking business models in the service of the common good (I), the need to educate students to transform (II) and accelerating the deployment of climate finance (III). EDHEC values diversity and provides an inclusive and equitable workplace. We offer a competitive salary and benefits package.

APPLICATION PROCEDURE: Candidates interested in applying for a position are invited to send a cover letter, a resume, a list of publications, teaching evaluations, and the names and contact information of two referees at Recrutementsprofs6@edhec.edu.

Inquiries can be addressed to Abraham LIOUI, Head of Department of Data Science, Economics and Finance, at Abraham.Lioui@Edhec.edu.

Applications will be considered until the positions are filled or February 28, 2025.
