Assistant/Associate Professor of Accounting

POSITION

To participate in the continuous development of the EDHEC programs, EDHEC Business School (www.edhec.edu/en) is recruiting several new faculty members for the position of an Assistant or Associate Professor of Accounting, with research interests in sustainable accounting, the application of machine learning and business intelligence in accounting, industry-specific accounting research, and related areas. The successful candidates are expected to actively teach in various EDHEC programs. Ability/experience in blended learning and/or e-learning is a plus.

Location will be on the Lille or Nice campus.

ABOUT OUR SCHOOL

EDHEC Business School is one of Europe's leading business schools and a member of the select group of institutions worldwide to have earned all three international academic accreditations (AACSB, EQUIS, AMBA). For its strategic development, EDHEC has chosen to look ahead to 2050 because of the key significance of this deadline. Reducing carbon emissions, protecting biodiversity, reducing inequalities, providing universal access to education: 2050 is a pivotal year for humanity. The generation of 2050 will live in a radically different world depending on the shifts made in the coming decades. In order to

maximise its societal impact, EDHEC has organised its plan around three main strategic areas: rethinking business models in the service of the common good (I), the need to educate students to transform (II) and accelerating the deployment of climate finance (III). Our "Generations 2050" strategic plan is supported by an investment of €270 million, including €112 million for the development of the 90,000 m² Share & Care campuses.
