Assistant, Associate or Full Professor in Accounting

Position reference AMCE25-Amel-AKA

Audencia (<https://www.audencia.com/>) invites applications for a position as Assistant, Associate or Full Professor in Accounting. The position is for a full-time, permanent contract and can be based in Paris (Saint-Ouen) or Nantes.

Position requirements

We are looking for applicants specialized in Accounting in terms of both teaching and research. Applicants shall hold a Ph.D., they shall be able to demonstrate their ability to teach effectively a wide range of undergraduate and graduate courses, such as Accounting and Management control. In accordance to our programs and in coherence with our school strategic axes, we particularly welcome candidates whose pedagogy, in addition to the above mentioned subjects, focuses on Sustainability. The teaching associated with the position will be in French and in English.

Position overview

The new faculty member will join our Accounting, Management Control and Economics Department, consisting of 21 core faculty members. The research and pedagogy axes of the department are: Accounting Data Analytics and Sustainability issues in Accounting and Management Control. The department manages several programs such as MSc in Data

Management for Corporate Finance, MSc in Management Control & Sustainability Performance, Auditing Major, BBA Data, IA & Management and the Finance/Management Control specialisation in the 3rd year of the Bachelor in Management.

The successful candidate will be in charge of creating, developing and managing academic programs, and will also contribute to teaching activities in accounting and management control. Through teaching activities, he / she will be able to share his / her professional experience, develop critical thinking with students, and teach fundamental frameworks of accounting and management control, at undergraduate and graduate levels.

Moreover, he / she shall be involved in developing executive education, or new programs, or new partnerships with companies and students.

The candidate should be able to contribute to the department's effort to generate knowledge through interdisciplinary, original and high-quality scientific research that enables responses to the organizational, economic, technological, environmental and social challenges of today's world.

Salary is negotiable and commensurate with potential and experience. There are a number of benefits attached to the contract including an individual research or pedagogical budget, the possibility to apply for additional internal funding opportunities, performance-based bonuses and family medical coverage.

The School

Audencia is triple accredited (AACSB, EQUIS and AMBA) and one of the leading European and French business schools. The school offers a wide range of programs including MS Grande Ecole, MScs, MBA, Executive MBA, European Master in Management, Doctorate and Executive Education Programmes, with 172 core faculty members from 39 countries. The school is very dynamic, has grown significantly in the most recent years and will continue to do so with new positions opening in the future. Audencia fosters both high-level research and high-level pedagogy and has a workload model that allows faculty to place emphasis on either of the two.

Environment

The school has campuses in France and abroad. This position can be based in Paris (Saint-Ouen) or Nantes.

Application

Candidates should send a cover letter, a recent curriculum vitae including a detailed list of publications, recent teaching evaluations, and contact information of three referees **exclusively** by e-mail to: Prof. Thibaut BARDON, Associate Dean for Faculty & Research: faculty-recruitment@audencia.com.

Please quote reference **AMCE-Amel-AKA** in the subject of your email.

Review of applications will begin immediately and will continue until the position is filled.
