Company Description:

Founded in 1919, AUC moved to a new 260-acre state-of-the-art campus in New Cairo in 2008. The university also operates in its historic downtown facilities, offering cultural events, graduate classes, and continuing education. Student housing is available in New Cairo. Among the premier universities in the region, AUC is Middle States accredited; its engineering programs are accredited by ABET, its chemistry program is accredited by the Canadian Society for Chemistry, the School of Business is accredited by AACSB, AMBA and EQUIS, and the Master of Public Administration and the Master of Public Policy programs of GAPP are accredited by the Network of Schools of Public Policy, Affairs, and administration (NASPAA). The AUC libraries contain the largest English-language research collection in the region and are an active and integral part of the university's pursuit of excellence in all academic and scholarly programs. AUC is an English-medium institution; eighty-five percent of the students are Egyptian and the rest include students from nearly ninety countries, principally from the Middle East, Africa and North America. Faculty salary and rank are based on qualifications and professional experience. According to AUC policies and procedures, all faculty are entitled to generous benefits.

Job Description:

The School of Business anticipates openings for faculty positions in the Department of Economics at the level of Assistant/Associate/Professor for a fixed term four-year appointment, to begin in Fall 2024. The Department of Economics seeks a candidate with an exceptional teaching and research

records while transcending traditional mainstream output in the areas of Macroeconomics, Monetary Economics and Financial Economics.

The candidate is expected to build a diverse research team in collaboration with local and international participants addressing the manner in which the above sub-disciplines specifically relate to the Middle East and African regions. Strong practical quantitative and research methodology skills are essential.

The successful candidate will be expected to contribute to undergraduate and graduate teaching, actively engage in research and service, and supervise masters' theses. Finally, all faculty must be willing to teach introductory courses.

Requirements:

Applicants must have a PhD in economics or closely related field from a reputable university, preferably AACSB and/or EQUIS accredited with a record of active research agenda and teaching experience.

Additional Information:

Review of applications will begin immediately and continue until the positions are filled.

Application Instructions:

All applicants must submit the following documents online:

- Cover letter
- Current resume
- Statements of research and teaching
- Sample of current research
- Evidence of teaching effectiveness
- Completed AUC Personnel Information Form (PIF); and,
- Three names of reference to busref@aucegypt.edu with the subject line BUS/MacroEcon/2024
