The successful candidate will develop and/or lead academic research projects with the aim of publishing in the field's highest quality journals.

The position is permanent with a full-time contract. Salary and conditions are competitive, in line with international standards. SKEMA Business School offers publication bonuses for peer-reviewed publications. The language of work and teaching is English. Knowledge of French is not required and is not a criterion for selection. SKEMA Business School offers support in learning French.

Qualifications must include :

- Depending on rank - Hold or about to complete a Ph.D. in Management, Engineeringor a related field (with orientation in Project management and data science)

- Have a strong research orientation and track record, as demonstrated by apublication track record in highly regarded management journals on the CABS-FNEGE-FT50 lists or show potential
- Ability to work as part of a team in a collegial environment
- Strong oral and written communication skills
- Excellence in quantitative methods
- Commitment to service and/or outreach activities

Expectations :

- Publish peer-reviewed publications in top-tier journals.
- Teach undergraduate and/or graduate level courses in Project Management and dataanalytics.
- Contribute to student mentorship.
- Show academic citizenship, commit to the life of the institution, and contribute toprojects related to the School's strategy.

Applications should include:

- A letter of application stating why the applicant is interested in SKEMA Business School.
- Curriculum Vitae.
- Statement of research interests and direction.
- Statement of teaching interests and philosophy (listing the courses the applicant has taught or would prefer to teach).
- Depending on rank - The job market paper and/or evidence of research activity (1-2 writing samples or reference to research available online; published articles or working papers)
- Evidence of teaching performance (including teaching evaluations if available).
- Three letters of reference.
- Any additional document that the applicant may consider as relevant.

The application should be submitted in English and sent by email to recruitmentfaculty2025@skema.edu, with the following subject : "application position in PROJECT MANAGEMENT - FRANCE".

Applications will be reviewed until March 31st, 2025 or until the position is filled.

Clarification questions can be directed to recruitmentfaculty2025@skema.edu

Please note that SKEMA is an equal opportunity employer, which values all types of diversity, and encourages applications of candidates from all backgrounds.
