ABOUT THE PROGRAMME

The rapidly evolving worldwide luxury market, coupled with the current global challenges, is fundamentally reshaping the structure of the luxury sector. Luxury organisations are adapting their business models and accelerating processes to thrive. They must be more customer-centric, digital, agile, and sustainable than ever before. These challenges are opportunities for innovation, efficiency, and transformational thinking.

One programme, two specialisations:

- **The Luxury Digital Marketing & Strategy track**, with a semester at the NYU School of Professional Studies (NYU SPS) in New York and a second semester at SKEMA Business School in Paris, offering the possibility to earn a Graduate Certificate from NYU SPS.
- **The Retail excellence - Client Relationship Management track**, with two semesters in Dubai, a major global hub renowned for its dynamic retail environment, offering a unique opportunity to gain expertise in luxury retail and client relationship management for high-potential markets such as the Middle East, Africa, and India

ABOUT THE CAMPUS

SKEMA has chosen Dubai as its base in the Middle East and North Africa (MENA) region.

Situated at the intersection of the East and the West, Dubai is ranked third globally for talent flows by the Harvard Business Review. A cosmopolitan, forward-thinking city, it is home to 90% expatriates and 30% international students.

SKEMA's Dubai campus is more than merely a place of learning; it is a centre of academic excellence where students from across the world meet, exchange ideas, and grow together.

The Dubai International Financial Centre (DIFC), which hosts SKEMA's campus, is not only a world-renowned financial centre, but also home to prestigious academic institutions. This prominent academic proximity enables the school to strengthen its international network and offer its students unique opportunities for collaboration and learning. Dubai's spirit of initiative and innovation can be felt everywhere, making it the 'city of possibilities'.
