HELBUS Helsinki School of Business - Visiting instructor in Operational Planning and Management (Undergraduate)

Location: Helsinki / Remote

Contract: Part-time, fixed-term (renewable)

Teaching Periods:

- On-site: Jan 26 – Feb 13, 2026 (3-week intensive, 60 contact hours)
- Online: Aug 31 – Oct 11, 2026 (6-week remote format)
- **Application Deadline:** June 26, 2025

HELBUS is seeking an experienced instructor to teach *Unit 15: Operational Planning and Management* (7.5 ECTS) as part of our undergraduate programme in partnership with Pearson Education and the University of Northampton. The role includes course preparation, delivery, assessment, and engaging students through practical, interactive learning methods.

Requirements:

- Teaching experience of operations/supply chain management at undergraduate level
- Master's or Ph.D. in a relevant field
- Excellent English skills and formal teaching qualification
- Experience with both in-person and online teaching

Preferred:

- Experience with UK higher education or BTEC
- Practical industry background and use of case-based methods
- Familiarity with Moodle or similar LMS

Submit your application via the portal link on our website:

<https://www.helbus.fi/en/meille-toihin/> Please include a cover letter, your CV (using the proposed template), teaching qualification certificate, and latest educational degree certificate. Early applications are encouraged, as the position may be filled before the deadline.

If you are interested in teaching at HELBUS but are unavailable for this specific opportunity, we warmly encourage you to submit an open application through our website, linked above. We regularly review these applications when new teaching needs arise.
