Assistant Professor Positions at the Department of Management and Technology

The Department of Management and Technology at Bocconi University invites applications for several full-time tenure-track faculty positions at the Assistant Professor level in the following areas:

- **Entrepreneurship, Innovation Management and Strategy**
- **Management Science (applications of Mathematics, Econometrics, Computer Science and AI to Management)**
- **Organizational Theory, Organizational Behavior and Human Resource Management**

Appointments are expected to begin September 1st, 2026.

Applicants must **explicitly identify their preferred area** in their application materials and may indicate a second area if applicable. Candidates will be considered only for the area(s) they have explicitly applied to.

The Department of Management and Technology has a longstanding scholarly tradition in the fields of technology, strategy, and organization theory. In 2024 the department was ranked 10th worldwide (4th in Europe) for business and management in the QS Worldwide University Ranking. The department is currently in a sustained period of internationalization, with 11 international faculty members hired across all levels in the last five years.

Applicants should have outstanding records in a doctoral program and strong demonstrated ability or potential for high quality research at the forefront of their field. Ability and interest to teach in undergraduate and master programs are essential.

The Department is also interested in hiring established Assistant Professors who might be interested in discussing potential appointments.

Interested individuals should complete and submit their application(s) via the following link: <https://jobmarket.unibocconi.eu/?id=806> selecting up to 2 of the following fields in order of preference:

- **Entrepreneurship, Innovation Management and Strategy** (Responsible: Mario Daniele Amore – mario.amore@unibocconi.it)
- **Management Science (applications of Mathematics, Econometrics, Computer Science and AI to Management)** (Responsible: Arnaldo Camuffo – arnaldo.camuffo@unibocconi.it)
- **Organizational Theory, Organizational Behavior and Human Resource Management** (Responsible: Sonja Opper – sonja.opper@unibocconi.it)

Complete applications include cover letter, curriculum vitae, job market paper, research statement, and three referees for recommendation letters.

We welcome applications until August 31st, 2025, (23:59 - Central European Summer Time). However, the hiring committees will meet and review applications--and possibly interview candidates--on a rolling basis.

If you are attending the **2025 AOM Conference in Copenhagen** and would like to meet members of the hiring committee, please apply by 23:59 (Central European Summer Time) on **Friday July 11th, 2025**.
