## Faculty Recruitment at the International University of Monaco (IUM)

In view of its continuous growth, the International University of Monaco (IUM) invites applications for full-time permanent and temporary faculty positions — **Assistant, Associate, or Full Professor** — as well as **Postdoctoral Researcher** positions in the following areas:

### Management

We welcome candidates whose research interests and teaching expertise are related to:

- Human Resource Management
- Strategy
- Business Law
- Supply Chain Management

### Marketing

We invite applications from candidates specializing in:

- Marketing
- Tourism Marketing

- Luxury Marketing

## Finance and Economics

We seek candidates with a focus on:

- General Finance and Economics

Appointments will be made at the **Assistant, Associate, or Full Professor** ranks depending on research achievements, teaching experience, and professional background. Strong research potential and a commitment to excellence in teaching are essential.

## Postdoctoral Research Positions

We are also seeking highly motivated **Postdoctoral Researchers** in Management, Marketing, and Finance. Special consideration will be given to candidates specializing in **the areas indicated in the list above**. The Postdoctoral position may lead to a **permanent Assistant Professor** appointment.

All successful candidates will join the **OMNES EDUCATION Research Center** (<https://www.omneseducation.com/enseignants-recherche/la-recherche>).

## About IUM

- Balance between theory and application
- Collaborative and multicultural engagement

IUM fosters educational excellence through research focused on high-value industries — luxury, hospitality, and financial services — and strong partnerships with the local and international business communities.

## About the Positions

Faculty responsibilities include:

- Teaching between 150 and 220 hours per year
- Advising and mentoring students

- Participating in program development and continuous improvement
- Conducting and publishing high-quality research (ABDC, FNEGE, ABS, ranked journals)
- Contributing to applied research projects and business partnerships
- Supporting IUM's marketing, promotional, and reputation-building initiatives

## **Applicant Profile**

### **Required qualifications:**

- PhD or DBA in a relevant field
- Strong research track record
- Experience teaching at university or business school level
- Ability to teach in English (fluency required)

### **Desirable qualities:**

- Global mindset
- Dynamic, collaborative, and adaptable personality
- Commitment to educational innovation and digital learning
- Passion for teaching and student success

Fluency in English is mandatory. French language skills are **not required**.
