Multiple Faculty Positions at Assistant Professor level (Tenure Track): International Business/ Entrepreneurship/ Strategy / Organizational behavior / Marketing and Operations Management

Assistant (Tenure Track) Faculty Positions available at CUNEF University - Department of Management

Role Profile & Responsibilities

The Department of Management at CUNEF University is seeking outstanding candidates for

assistant (tenure track) faculty positions in multiple tracks: International Business/ Entrepreneurship/ Strategy / Organizational behavior/ Marketing and Operations Management.

The positions are available in September 2026.

The successful candidates are expected to conduct high quality research and teaching in the aforementioned areas, as well as to contribute to program management, research supervision, and other service activities at CUNEF University.

Experience & Qualifications:

- Applicants should hold a PhD in a relevant field before being appointed. ABD with a promising profile will be also considered.
- Candidates should show strong evidence of recent research productivity and/or demonstrable potential to publish research on journals highly ranked on the ABS and FT50 lists.
- Successful candidates will be expected to teach at both undergraduate and post-graduate levels, publish their research in leading academic journals, engage in academic leadership, and contribute to the design, development, and delivery of a range of courses or programs at various levels.
- The selected candidates will be expected to actively engage with the academic community, contribute to the Department's initiatives and activities, attend Department's meetings and seminars, and participate in CUNEF University's events.
- Applicants should be fluent in English. Knowledge of Spanish is not required but it will be appreciated, as CUNEF University offers graduate and executive programs in both Spanish and English.
- Successful candidates should possess good communication and inter-personal skills, ability to work as a part of a team, and ability to teach students with diverse backgrounds.

About the Department of Management

The candidate will join the Department of Management, a dynamic and multidisciplinary team of approximately 15 people, dedicated to excellence in both teaching and research. The department has been experiencing steady growth over the past three years, fostering an environment of continuous development and collaboration. Our faculty are active contributors to leading academic journals, such as *Strategic Management Journal*; *Organization Science*; *Journal of Management*; *Research Policy*; *Information Systems Research*; *Journal of the Academy of Marketing Science*; *Journal of Applied Psychology*; *Strategic Entrepreneurship Journal*; *Journal of Product Innovation Management*; *Journal of Business Ethics*; *Journal of Supply Chain Management*; *British Journal of Management*; *Human Resource Management*; among others.

About CUNEF University

CUNEF University, located in the heart of Madrid, was established in 1973 by the Spanish

Banking Association to shape future leaders in Business, Economics, Finance, and Law. Our mission is to prepare students to thrive in a dynamic global society, emphasizing intellectual rigor and critical thinking. Today, CUNEF University is expanding its traditional offerings in management and economics to include exciting new programs in Engineering, Mathematics, and Quantitative Analysis, all designed to meet the evolving demands of the modern workforce.

Our Madrid campus offers an inspiring setting in one of Europe's most vibrant cities. With a population of 5 million, Madrid is known for its excellent transportation, rich cultural diversity, and historic charm. Recognized as one of the safest capitals worldwide, it provides an ideal environment for both professional growth and a fulfilling lifestyle.

At CUNEF University, we are deeply committed to advancing knowledge through impactful research, delivering a top-tier educational experience, and promoting values of inclusion, social mobility, diversity, and sustainability. Our university offers a dynamic, international, and research-focused environment, complete with cutting-edge resources, access to industry collaborations, and robust support for research endeavors. The remuneration package is highly competitive, ensuring our faculty enjoy an enriching career path within our institution.
