Lecturer, Instructor, and Professor Roles in Health Sciences, Business, and Engineering

Overview

University of Doha for Science and Technology (UDST) is the first national applied University in the State of Qatar, offering applied Bachelors and Master's degrees in addition to certificates and diplomas in various fields. UDST has over 70 programs in the fields of Engineering Technology and Industrial Trades, Business, Computing and Information Technology, Health Sciences, General Education and more.

With more than 700 staff and over 8,000 students, UDST is the destination for top-notch applied and experiential learning. The University is recognized for its student-centered learning and state-of-the-art facilities. Our faculty are committed to delivering pedagogically-sound learning experiences with incorporation of innovative technological interventions, to further enhance students' skills and help raise talented graduates that can effectively contribute to a knowledge-based economy and make Qatar's National Vision 2030 a reality.
