JOB QUALIFICATIONS

Candidates should have a record of excellence in both teaching and research within their discipline.

Fluency in English is required. Speaking French is not a requirement but any experience with the French academic environment will be appreciated.

The candidate should:

- Have a PhD from a reputable (accredited) international institution,
- Show evidence of a solid publications' record (top-tier international journals or relevant practitioner-targeted publications),
- Have a solid academic network at the regional and international levels,
- Demonstrate clearly his/her ability to teach in academic programs at the Bachelor and/or Master levels,
- Demonstrate his/her capacity to develop pedagogical innovation,
- Show a desire to actively engage in all areas of Faculty/School life.

SALARY RANGE

Salary will follow the candidates' qualifications and experience. All faculty members benefit from French social security benefits and complementary health insurance. Upon recruitment a moving allowance is offered.

APPLICATION PROCEDURE

Applicants should send:

- a cover letter
- a detailed curriculum vitae with a clear publication record and a pipeline,
- a research and teaching statement,
- a selection of three representative publications,
- teaching assessments,
- the names and contact information of two referees,

By email to recrutement@isg.fr

APPLICATIONS WILL BE CONSIDERED UPON RECEPTION. THE PROCESS WILL CONTINUE UNTIL POSITIONS ARE FILLED.
