MANAGEMENT INFORMATION SYSTEMS: 2 ASSISTANT, ASSOCIATE OR FULL PROFESSORS (PARIS OR LILLE CAMPUS)

Two faculty positions in **Management Information Systems** at the rank of Assistant/ Associate/ Full Professor (**Paris or Lille Campus**)

In response to its continuous growth, IÉSEG School of Management is looking for two full-time professors in **Management Information Systems at the Assistant, Associate or Full Professor level** (Paris or Lille Campus, starting September 2026). He/She/They will be a part of the Department of "Innovation, Entrepreneurship & Information Systems".

ABOUT IÉSEG SCHOOL OF MANAGEMENT

- IÉSEG holds the "**triple crown**" of international accreditations (AACSB, AMBA & EQUIS) and is a member of the "Conférence des Grandes Écoles". The School offers Bachelor, Master and Post-Graduate Degrees as well as Executive Education programs.
- IÉSEG is one of the leading French business schools in terms of research. The IÉSEG Research Center is accredited by the French CNRS (National Center for Scientific Research). The school actively **promotes research, provides resources** for active scholars and **offers financial bonuses** for high quality international peer-reviewed research publications.
- IÉSEG offers a **dynamic and international work environment** with over 40 different nationalities represented. Crucial to the school are its core values: Accomplishment, Responsibility, Integrity, Solidarity and Engagement. The school's ambition is to **empower**

changemakers for a better society. The school offers employees a competitive salary, a relocation allowance and housing search assistance, French social security benefits, complementary health insurance, meal vouchers, a profit-sharing plan, and a contributory pension scheme.

- Our **Lille Campus** is in the heart of the Northern French city of Lille (within the triangle made up by London, Paris and Brussels). Our **Paris Campus** is located in the biggest European business district of “La Défense”. Both premises have an excellent classroom infrastructure as well as an energizing research environment.

ABOUT THE DEPARTMENT

The department of “Innovation, Entrepreneurship & Information Systems” consists of more than 20 permanent academic staff who teach and perform research in the areas of Information Systems, Law, Entrepreneurship, Design Thinking, among others. An overview of our diverse group of professors can be found here: [Innovation, Entrepreneurship & Information Systems Department](#)

ABOUT THE POSITION

Teaching will be the main focus of the selected candidate at the undergraduate, graduate and/or postgraduate level. Teaching experience in areas of Information Systems such as Python programming, Data Analytics & Visualization, Artificial Intelligence, and Cybersecurity is desired.

In addition, he/she/they will contribute to the development of the Department’s programs. As such, we are looking for candidates with **strong teaching skills**, and who are fluent in **English**, as most courses are taught in this language. While not a formal requirement, experience in Executive Education and the ability to teach in French is a strong asset.

With regards to research, the selected candidate will contribute to the vibrant research community at IÉSEG through their research. He/she/they is therefore expected to hold a **PhD** in Information systems or a related field, have a publication record (or potential for Assistant Professors) in peer-reviewed journals, as well as a good international network.

Finally, we are looking for candidates who embody our core **values** of Accomplishment, Responsibility, Integrity, Solidarity, and Engagement, and who fit our diverse and international culture in which over 50 nationalities are represented. IÉSEG places tremendous value on diversity and inclusion, and we therefore encourage applications from all backgrounds. Underrepresented groups in academia (notably women, minority ethnic groups, people identifying as LGBTQIA+, people with a (non-)visible disability, and people from lower socio-economic backgrounds and/or economically developing countries) are particularly encouraged to apply, as we are highly committed to ensuring that IÉSEG reflects and benefits from the diversity present in society.
