Assistant / Associate / Full Professor at the Department of Information Management (starting August 1, 2026)

Job Description

The Department of Information Management of the National Taiwan University of Science and Technology invites applications for an Assistant, Associate, or Full Professor position (tenure-track).

The successful candidate should be an expert in one of these specializations:

- Information Management, Information Systems, Computer Science, Data Science, Electronic Engineering or any information technology/management related fields

For further information, please consult the department website:
https://www.cs.ntust.edu.tw/index.php?Lang=en

The rank and remuneration will be commensurate with qualifications and experience.

Key Duties and Responsibilities

- Develop and teach undergraduate and postgraduate courses

- Publish high-quality research in leading journals

- Perform administrative duties as assigned by the Head of the Department

Qualifications

- A Ph.D. degree in one of the above-mentioned specializations

- Ability to teach in English. Chinese is a plus but not required.

- At least one year of relevant industry experience is required

Application Package

- Curriculum Vitae (including education, work experience, research areas, and publication list)

- A list of courses that can be taught and the syllabus of these courses

- Any other supporting documents that you deem relevant for the application

Please include a phone number and email address for contact.

Application Deadline & Submission Instructions

Application Deadline: Rolling basis

Submission Instruction:

The application package shall be consolidated into a **single PDF file** and sent to Ms. Chiu via email at: office6764@mail.ntust.edu.tw

Subject line: "**Application for Faculty Position**".

University Information

The National Taiwan University of Science and Technology (Taiwan Tech) was founded in 1974 and is the first higher education institution of its kind within Taiwan's technical and vocational education system.
