Institution: Technical School of Innovation (TSI)

Location: Bishkek, Kyrgyz Republic

Language of instruction: English

Age of students: 12-19 years old

About TSI:

The Technical School of Innovation (TSI) of the American University of Central Asia (AUCA) is a dynamic and rapidly growing private educational community, established in 2019, with the support of the governments of the Kyrgyz Republic and the USA.

Our mission is to prepare students for successful careers in a fast-changing world by combining academic traditions with innovative approaches. TSI offers modern educational programs designed to develop critical thinking, creativity, and leadership skills. The school emphasizes practical learning, giving students opportunities to work on real projects and apply their knowledge.

Position Overview:

We are seeking passionate and highly qualified full-time English speaking instructors to join our institution for the 2026-2027 academic year and beyond in the following subject areas:

- **Mathematics;**
- **Science (Biology, Chemistry, Physics);**
- **English as a Foreign Language;**
- **Geography;**
- **Critical and Creative Thinking;**
- **Computer Science;**
- **Citizenship;**
- **World History;**
- **Design and Technology.**

In this role, instructors will design and deliver engaging, student-centered lessons that foster critical thinking, collaboration, and creativity. Successful candidates will employ a communicative and interactive teaching approach while adapting the curriculum to meet the diverse learning needs and abilities of students.

Key Responsibilities

- **Instruction:** Deliver engaging, student-centered lessons using a communicative approach to foster active participation and critical thinking.
- **Adaptive Teaching:** Design and implement adaptive syllabi to deliver a differentiated learning for students with varying level of skills, ensuring all learners are challenged and supported.
- **Lesson Planning:** Prepare detailed lesson plans aligned with curriculum and syllabus goals and student learning outcomes.
- **Assessment:** Evaluate student performance through continuous assignments, projects, and mid-term and final exams, providing constructive feedback to promote growth.
- **Classroom Management:** Maintain a positive, inclusive, and motivating learning environment.
- **Student Support:** Hold weekly office hours to provide individual guidance and support.
- **Record Keeping:** Keep accurate records of attendance, grades, and student progress.
- **Professional Development & Collaboration:** Participate in training, workshops, and team meetings to enhance teaching skills and contribute to curriculum development.

Qualifications & Requirements

- **Education:** Master degree in a relevant field.
- **Teaching Experience:** At least 2 years of teaching experience.
- **Practical Orientation:** Experience with project-based learning or real-world application is a great asset.
- **Skills:**

1. Design interactive lessons that engage and inspire students
2. Adapt curricula to meet diverse learning needs
3. Provide constructive feedback and foster student growth
4. Utilize educational technology effectively

5. Strong communication and interpersonal skills

- **Personal Attributes:**

1. Passionate about student development and independence
2. Flexible, collaborative, and motivated to contribute to the school community

Teaching Details

- Class sizes: 16–24 students
- Responsibilities include syllabus design, lesson planning, instruction, student assessment and feedback, participation in seminars and meetings, office hours

How to Apply

Submit the following documents:

- CV
- Cover letter outlining teaching philosophy and experience
- Copies of degrees and certifications
- Contact information for at least two professional references
