### **Job characteristics:**

Type of contract: Permanent contract, full time contract

Taking office: From September 2026

Localisation: SKEMA BUSINESS SCHOOL Dubaï

**SKEMA Business School** (<https://www.skema.edu/>) is seeking candidates for multiple Associate Professor roles in Management, specializing in either Supply Chain Management or Strategic Management, with a focus on teaching activities. Selected candidates will be responsible for designing and delivering courses in these areas, equipping students with the essential theoretical knowledge, skills, and competencies needed for academic and professional success in management. Additionally, the role involves collaborating with internationally recognized faculty,

academic programs, and various internal and external partners to advance the development of the BBA programme in Dubai.

The position is permanent with a full-time contract. Salary and conditions are competitive, in line with international standards. SKEMA Business School offers publication bonuses for peer-reviewed publications. The language of work and teaching is English. Knowledge of French is not required and is not a criterion for selection.

**Qualifications must include:**

- A doctoral degree in management or a related field.
- Relevant experience in higher education, in an international environment.
- Successful teaching experience in the respective specialisation, with a focus on excellence in pedagogy and successful curriculum development.
- Excellent leadership and communication skills.
- Ability to sustainably develop and implement curriculum in various programmes.
- Consistent ability to produce intellectual contributions in the respective specialisation.
- Commitment to service and/or outreach activities.

**Expectations:**

- Deliver quality courses at different academic levels, with a focus on the BBA programme, in a multi-cultural and international environment.
- Incorporate a competence-oriented approach throughout the Management curriculum – with particular attention to the courses in the specializations, including the case study method, company visits, guest speakers, etc.
- In accordance with the educational approaches embraced in the program, design innovative pedagogical content using a variety of resources.
- Contribute to the local development of the BBA programme, in cooperation with the Academic and Program Management.
- Identify, recruit and manage external lecturers, in collaboration with Academic Management in Dubai.
- Connect internationally and create an international community based on SKEMA footprint.
- Demonstrate collegiality and commitment to the life of the institution.

**Applications should include:**

- A letter of application stating why you are interested in SKEMA Business School
- Curriculum Vitae
- Evidence of intellectual contributions (1-2 writing samples or reference to published articles, working papers, reports, etc.)
- Statement of teaching interests and teaching philosophy (please list courses you have taught or would prefer to teach)
- Any additional document that the applicant may consider as relevant

The application should be submitted in English and sent by email to [recruitmentfaculty2026@skema.edu](mailto:recruitmentfaculty2026@skema.edu) , with the following subject : “application position in Management BBA - DUBAI”.

Applications will be reviewed until January 31st, 2026 or until the position is filled.

Clarification questions can be directed to [recruitmentfaculty2026@skema.edu](mailto:recruitmentfaculty2026@skema.edu)

Please note that SKEMA is an equal opportunity employer, which values all types of diversity, and encourages applications of candidates from all backgrounds.

## **ABOUT THE CAMPUS**

SKEMA has chosen Dubai as its base in the Middle East and North Africa (MENA) region.

Situated at the intersection of the East and the West, Dubai is ranked third globally for talent flows by the Harvard Business Review. A cosmopolitan, forward-thinking city, it is home to 90% expatriates and 30% international students.

SKEMA's Dubai campus is more than merely a place of learning; it is a centre of academic excellence where students from across the world meet, exchange ideas, and grow together.

The Dubai International Financial Centre (DIFC), which hosts SKEMA's campus, is not only a world-renowned financial centre, but also home to prestigious academic institutions. This prominent academic proximity enables the school to strengthen its international network and offer its students unique opportunities for collaboration and learning. Dubai's spirit of initiative and innovation can be felt everywhere, making it the 'city of possibilities'.
