## Multiple Full-Time Faculty Positions in Management Sciences

The Department of Management Sciences (DACG) at the Pontifical Catholic University of Peru (PUCP) invites applications for several full-time faculty positions in different areas of management and business education.

Areas of recruitment include disciplines such as:

- Governance & Data Analytics
- Operations & Sustainability
- Additional management-related specialisations within the Department of Management Sciences

Successful candidates will contribute to undergraduate and graduate teaching, research activities, thesis supervision, curriculum development and academic service.

Applicants should normally hold or be pursuing a doctoral degree in a relevant discipline, demonstrate university teaching experience, and show commitment to research and publication activities.

PUCP offers an attractive academic environment, research support, funding opportunities,

international conference support, performance bonuses and extensive employee benefits.

**Application deadline:** 2 August 2026

**For complete details regarding available positions, requirements, benefits, application documents and selection procedures, please consult [[attachment-13]].**
