Multiple full-time, permanent Assistant / Associate / Full Professor positions

in Financial Accounting and/or Management Control

About the position

NEOMA Business School is seeking to hire multiple full-time, permanent faculty in financial accounting and/or management control at the level of Assistant, Associate, or Full Professor starting late August 2027 at our main campuses in France. Rank will be based on qualification, experience and record of achievements.

About the candidates

We are looking for dynamic, high-potential candidates who:

- Hold a Ph.D. from an internationally recognized institution (or are close to completion)

- Have a publication record (or strong publication potential) in top international peer-reviewed journals
- Are passionate about impactful research and are committed to excellence in its pursuit
- Are eager to diffuse their knowledge in the classroom, empowering our students and executives with new insights to help them navigate a complex and uncertain world
- Can leverage innovative pedagogy to deliver high-quality classes in English (while it is a plus, knowledge of French is not required)
- Are willing to disseminate research and expertise to our external stakeholders, both locally and globally
- Have a proactive and collegial attitude toward their colleagues, their department, and the school
- Actively participate in developing and implementing the school's strategy.

If you are looking to push the frontiers of knowledge in your discipline and are committed to sharing this knowledge with our stakeholders, you will find NEOMA Business School an ideal place to advance your career. We aim to create the best possible environment for you to excel in your research and, more globally, in your academic career.

About the school

NEOMA Business School, a top-tier institution with triple accreditation (AACSB, EQUIS, AMBA), is renowned for its innovation and impact in business education. We inspire our students and faculty to push the boundaries of knowledge, question conventional thinking and drive change through sustainable and forward-looking research and education. In an era of artificial Intelligence, we foster human Intelligence.

NEOMA's research is structured around several interdisciplinary Areas of Excellence, addressing key issues that shape the future of business and society. These include Artificial Intelligence (AI) and Data Science, Sustainability and Social Responsibility, The Future of Work, Complexity and Decision-Making, Entrepreneurship and Innovation, and Diversity and Inclusion. These areas serve as collaborative hubs where faculty are encouraged to engage in impactful, innovative research that tackles both current and emerging global challenges.

Since more than two-thirds of our faculty are international, NEOMA provides a diverse, multicultural environment that is the optimal context for your research and pedagogy to thrive. Our campuses in Paris, Reims (Champagne-Ardenne), and Rouen (Normandy) offer an enriching academic environment, combining the best of French culture with access to Europe's key business hubs.

About the department

The department of Accounting, Control and Legal Affairs has around 30 permanent

professors. In recent years we have successfully recruited graduates from internationally recognized institutions such as Chinese University of Hong Kong, City University of Hong Kong and Korea Advanced Institute of Science and Technology. The research output of our staff has been published in leading journals such as The Accounting Review, AOS, CAR, RAS, JAR, JBE etc…

Application procedure

The application package consists of a cover letter, CV, names of three referees (actual letters of recommendation are not mandatory, but appreciated), job market paper (i.e., an unpublished paper showcasing the quality of your research), representative publications and/or working papers (if available and optional - with a maximum of three), and recent teaching evaluations (if available). Additional elements such as a research statement, teaching statement, and any evidence of service to the research, academic, and/or business community can also be included with your application.

Positions will start in late August 2027.

Applications can be submitted via: https://apply.interfolio.com/189068
