Job title: Professor/Associate Professor/Assistant Professor in Innovation, Policy and Entrepreneurship Thrust, HKUST(GZ)

About HKUST(GZ)

Formally established in June 2022, the Hong Kong University of Science and Technology (Guangzhou)(HKUST(GZ)) is a cooperatively run university between the Chinese mainland and the Hong Kong Special Administrative Region. With a spirit of pioneering innovation, HKUST(GZ) charts new territories in cross-disciplinary education and explores new frontiers in pedagogies, aiming to serve as a role model of the mainland-Hong Kong integrated educational development and become a world-famous high-level university, endeavoring to nurture future-oriented, high-level and innovative talents.

In response to the increasingly complex challenges faced by the rapidly changing world, HKUST(GZ) adopts a brand-new and cross-disciplinary academic structure featuring "Hub" and "Thrust" to substitute the conventional one characterized by 'school" and "department", facilitating cross-disciplinary integration while vigorously developing emerging and frontier disciplines. This is a groundbreaking move in the higher education

community across the globe,

HKUST(GZ) comprises four Hubs, namely Function Hub, Information Hub, Systems Hub, Society Hub and sixteen thrusts. At steady state. The HKUST(GZ) community will consist of 800 faculty members, 4000 undergraduates and 6000 postgraduates.

The Innovation, Policy and Entrepreneurship Thrust of Society Hub of The Hong Kong University of Science and Technology (Guangzhou) invites applications for tenure-track/tenured positions at all ranks (Professor / Associate Professor / Assistant Professor) in the areas of Innovation, Policy and Entrepreneurship. For more information about the IPE Thrust, please

visit <https://hkust-gz.edu.cn/academics/four-hubs/society-hub/innovation-policy-and-entrepreneurship>.

Qualification of Candidates

The IPE Thrust has a diverse faculty and promotes interdisciplinarity teaching and research. We seek talents in the cutting-edge research in innovation, policy and entrepreneurship. Applicants must hold a PhD in a related field, such as Public Policy, Public Administration, Economics, Science and Technology Policy, Entrepreneurship, Business Administration, Computer Science, Industrial Engineering, or a closely related interdisciplinary field.

Areas of interest include but are not limited to:

- Science and technology policy
- Digital Governance and Technology Platform Management
- Business and Entrepreneurial studies
