Assistant/Associate/Full Professor in Finance — Lille Campus

EDHEC Business School (www.edhec.edu/en) is seeking to recruit one or more faculty members and invites applications for the positions of Assistant, Associate, or Full Professor in Finance. The position will be located on the Lille Campus.

We are interested in candidates working in any area of Finance. Fields of specialization may include, but are not limited to, corporate finance, asset pricing, portfolio choice, market microstructure, derivatives, financial econometrics, banking, household finance, sustainable finance, and machine learning or data science applications in finance.

Several positions are available across the Lille campus.

JOB QUALIFICATIONS:

- Candidates will have completed, or be close to completing, a Ph.D. in Finance, Economics, Statistics, Data Science, or a closely related field.
- Candidates for senior positions should have an excellent track record of publications in top scholarly journals.
- Junior candidates should show strong research potential and the ability to develop an ambitious research agenda.

- The successful candidate will be expected to contribute to teaching at the Bachelor, Master, and Ph.D. levels.
- Fluency in French is not required.

ABOUT THE GROUP AT EDHEC:

Our group is a mix of senior and junior scholars publishing in top academic journals such as American Economic Review, Econometrica, Journal of Econometrics, Journal of Business and Economic Statistics, Journal of Financial Economics, Journal of Finance, Management Science, and Review of Financial Studies. We run several academic seminars and workshops and host a number of leading academics from around the world each year.

ABOUT EDHEC:

EDHEC Business School is one of Europe's leading business schools and a member of the select group of institutions worldwide to have earned all three international academic accreditations: AACSB, EQUIS, and AMBA. Finance programs at EDHEC are FT ranked in the top 10 worldwide. In order to maximise its societal impact, EDHEC has organised its plan around three main strategic areas: rethinking business models in the service of the common good, the need to educate students to transform, and accelerating the deployment of climate finance.

EDHEC values diversity and provides an inclusive and equitable workplace. We offer a competitive salary and benefits package.

APPLICATION PROCEDURE:

Candidates interested in applying for a position are invited to send a cover letter, a resume, a list of publications, teaching evaluations, and the names and contact information of two referees at Recrutementsprofs6@edhec.edu.

Inquiries can be addressed to Enrique Schroth, Head of Department of Data Science, Economics and Finance, at enrique.schroth@edhec.edu.

Applications will be considered as they are received and until the position is filled or February 28, 2027.
