SolBridge Visiting Professor Position (on-campus position) for Spring 2027

SolBridge is a young and innovative AACSB-accredited business school in South Korea. Our student body represents more than 70 nationalities, and over 70% of our faculty members are international, fostering a highly diverse and inclusive academic environment.

Located in Daejeon, a city renowned for its technology and research institutions, SolBridge offers a rich learning environment where students can gain valuable hands-on experience. Our faculty also benefit from numerous opportunities for research and teaching collaboration with our global partner institutions.

Position:

Visiting Professor

This is a full-time, teaching-focused, on-campus appointment based in Daejeon, South Korea. The

position is offered on a renewable one-year contract.

Start Date:

March 1, 2027

Who can apply?

- Candidates who hold a Ph.D. or a DBA in any area of business from a reputed doctoral program
- Promising ABD candidates will be considered
- Candidates with a Master's degree in Business and significant industry experience (relevant experience of over 15 years) may be considered

Teaching Areas:

We welcome applications from candidates who are able to teach in one or more of the following areas:

1. Analytics & AI for Business
 - Indicative Courses include: AI & Predictive Analytics, Machine Learning, Generative AI, Agentic AI & Applications, Managerial Decision Modelling & Analytics, Data Visualization & Exploratory Analytics
2. Technology
 - Indicative Courses include: Blockchain Technology & Cryptocurrency, Generative AI and Programming, Programming for Business Applications (Python / other languages), Digital Strategies for Entrepreneurial Ventures, Digital Transformation, AI for Business Transformation, Information Systems and Digital Technologies for Business
3. Organizational Behavior & Human Resources
 - Indicative Courses include: People & Organizations, Human Resource Management, Managing Diversity in workplace, Managerial Skills
4. Marketing
 - Indicative Courses include: Principles of Marketing, Marketing Management, Consumer Behavior, Marketing Communication, Strategic Marketing, Marketing Analytics
5. Management & Entrepreneurship
 - Indicative Courses include: Introduction to Business, Sustainability & Business Ethics, Managerial Economics, Asian Management, Business Consulting, Project Management; Strategic Management; Entrepreneurial Mindset and Action, New Venture Creation
6. Finance
 - Indicative Courses include: Introduction to Corporate Finance, Financial Derivatives, Fintech, Financial Markets & Institutions, Risk Management, Entrepreneurial Finance, Sustainable Finance, International Finance
7. Accounting
 - Indicative Courses include: Financial Accounting, Managerial Accounting, Intermediate Accounting, Advanced Accounting, Accounting for Entrepreneurs

Key Responsibilities:

- Teach 12 credits per semester, normally equivalent to four three-credit courses, at the undergraduate and/or graduate levels.
- Deliver high-quality, face-to-face instruction in an international and multicultural learning

environment.

- Contribute to course and curriculum development within the relevant disciplinary area.
- Provide academic advising and support to students, as appropriate.
- Participate in School activities and contribute to academic service.
- Represent and promote SolBridge through appropriate academic and professional networks.
- As this is primarily a teaching-focused position, research engagement and collaboration are encouraged but are not the primary responsibility.

Qualifications:

- A PhD in a relevant business discipline or closely related field from a recognized university. *(or a Master's Degree in Business and 15+ years of relevant industry experience)*
- Demonstrated effectiveness in university-level teaching.
- The ability to teach multiple courses across one or more of the advertised academic areas.
- Experience with, or a demonstrated commitment to, experiential and student-centered learning approaches.
- The ability to use AI and other digital technologies purposefully and responsibly to enhance teaching and student learning.
- A strong commitment to face-to-face teaching and meaningful student engagement.
- The ability to work effectively in an international and culturally diverse academic environment.
- Strong English-language communication skills.

Compensation & Benefits:

- Competitive salary commensurate with qualifications and experience.
- University-provided housing for international faculty.
- Affiliation with the Korean National Health Insurance system.
- Enrollment in the Korean National Pension plan.
- E-1 visa sponsorship for eligible international faculty.
- Reimbursement of one-way airfare to Korea for faculty relocating from abroad.
- Twenty days of paid vacation per year.

Required Materials:

- Cover letter identifying the relevant teaching area or areas
- Curriculum Vitae
- Teaching statement
- A short self-introduction video, if available (recommended)
- Evidence of teaching effectiveness, where available
- Names, titles, organizations and contact details of three references
