Full Time Faculty Position at Tecnológico de Monterrey

The Business School of Tecnológico de Monterrey in Mexico, the leading business school in Latin America, welcomes applications for **Full-time** Positions, at **any level** (from assistant to full), in the following areas:

- *Finance*> **Corporate Finance, M&A, International Finance, Corporate Governance, Integrated Reporting, Econometric Models, Derivatives, Financial programing and modeling, Business valuation, Investments, Blockchain and artificial intelligence finance applications, Finance analytics, International finance**
- *Accounting*> **International Financial Reporting, Accounting Information Systems, Blockchain and artificial intelligence accounting applications, Corporate Governance, Integrated Reporting, Managerial Control Systems**
- *Economics*> **Microeconomics, Managerial Economics, Labor Economics, Industrial Organization**
- *Marketing & Analytics*> **Business analytics, Business intelligence, Data mining, Data management and governance, Marketing intelligence, Marketing research, Digital business, Digital marketing, Marketing strategy, Retail, Product development and branding.**
- *Strategy*> **Conscious Business, Ethics and Business Governance, Consulting and Digital Transformation, Strategic Planning, Leadership**
- *Entrepreneurship*> **Ideation and prototyping, Innovation methodologies, Business foresight, Innovative business models, Family business**
- *International Business*> **International logistics operations, Managing international services, Supply chain, International treaties, Global operations, International negotiations and agreements.**

We offer our professors the opportunity to develop into one of the following tracks that match their profile: **Consulting, Entrepreneurship, Educational Innovation** or **Research**.

We highly value research and strongly support it through a reduced teaching load, access to internal and external research funds, excellent facilities, and a collaborative, research-oriented environment.

As a **Full-time** Professor, you will take a leadership role in your area of expertise, developing and teaching courses in English, and actively participating in the life of the school. The salary is competitive and commensurate with experience and qualifications and a comprehensive benefits package is provided as well.

We have primary campuses in Monterrey, Mexico City and Guadalajara, as well as satellite campuses through-out Mexico.

Requirements for graduate level and undergraduate research oriented positions:

- PhD in Management/Marketing/Finance/Accounting or related field from an AACSB accredited doctoral program with emphasis in any of the above listed areas.
- Publications in refereed journals and a well-developed research agenda.
- Commitment to high quality teaching as evidenced by student evaluations.
- Professional work experience in business related to discipline is desirable.
- Use of experiential learning techniques.
- International professional experience or international education
- Evidence of intellectual vitality, expressed in quality publications or consulting experience or educational innovation.
- If applying for a research-oriented position: publications in refereed journals and a well-developed research agenda with the potential for sustained publications in high quality journals.

Application submission

The application package should include a cover letter, current CV, a research statement outlining the candidate's research plans, teaching experience (if any), and the names of at least three references. To apply, please email your package to Faculty International Recruiter: Elizabeth Guadiana-eguadiana@tec.mx. Applications will be reviewed on an ongoing basis.

About EGADE Business School

EGADE Business School is accredited by AACSB, EQUIS, and AMBA and was awarded Five Palms by Eduniversal Global Rankings and Ratings Agency. EGADE Business School has been consistently ranked among the top 3 in Latin America by AmericaEconomia and is currently ranked as the #1 Business School in Latin America by the QS Global MBA Ranking. The School offers graduate academic programs (Masters and PhD) and executive education in Mexico at three sites: Monterrey, Mexico City, and Guadalajara.

The EGADE programs are characterized by high engagement from our students with the expert leadership of our international professors. We value diversity, curiosity, innovation, challenging the status quo, and students who engage in transformative thinking in leadership action that contributes to a sustainable future.
