THE SCHOOL

ESCE International Business School (Ecole Supérieure du Commerce Extérieur) is a private higher education business school founded in 1968 with a strong focus on international business. Its mission is to train students in international development, with respect for ethics, diversity and cultures, preparing them to successfully integrate as contributing members of a globalized economy. It is located at La Défense (Paris) and Lyon. ESCE is a member of the *Conférence des Grandes Ecoles* and delivers a five-year master degree, fully accredited by the French Ministry of Higher Education. As an accredited member of the *EFMD Programme Accreditation*, ESCE's program is internationally recognized. It holds the label *Bienvenue en France* and *BSIS Impact* as well as 4 stars in Q&S Stars Rating. ESCE offers 19 double degree programmes and has exchange agreements with over 190 international academic partners all over the world.

ESCE offers time devoted to research and support to participate in conferences; employees receive social security and health care benefits and you will be part of a friendly, international and collaborative network.

JOB DESCRIPTION AND KEY DUTIES:

The professor's field of teaching and research should be **Supply chain and/or logistics**. The tasks include carrying out and supervising academic research, providing teaching based on research and following developments in the field, along with participating in community and international projects in their field. We are particularly looking for candidates with strong teaching skills and publishing potential.

REQUIREMENTS

- Applicants must hold a **Ph.D. or doctorate degree** with a publication track record in peer reviewed international journals
- Sustainability or digital orientation would be a plus.
- Successful candidates should demonstrate excellent teaching ability at both the undergraduate and graduate levels.
- Successful candidates should be able **to teach in English**, French would be a plus.

- Former working experience in multinational corporations or SMEs would be a plus.

THE APPLICATION SHOULD CONSIST OF:

- A cover letter including motivation for joining the ESCE business school
- A current vita
- A list of publications, under review or in progress
- A copy of two significant publications

The deadline for the submission is **31th January 2023**.

Please send your application to recruitment.supplychain@esce.fr

Candidates are strongly encouraged to apply as soon as possible as review of applications will begin immediately.
