## **Positions in Organization Behaviour and/or Leadership: Assistant /Associate Professors**

The School of Management at the University of Los Andes (Bogotá, Colombia) seeks applications to fill a full-time position at the assistant or associate professor level in the [Organizations Area of the School](#). This call will prioritize candidates with research and teaching experience in the fields of organizational behaviour and/or leadership. Preference will be given to candidates with: a strong commitment to research in the fields above, demonstrated by a record of publication in high-quality peer-reviewed journals; willingness to provide institutional commitment or service within the Faculty and externally; and engagement in the design, delivery, and assessment of courses taught at the undergraduate and graduate level.

### **We are interested in candidates with:**

- A PhD - completed or near completion in the field of organizational behaviour, management, social sciences, or related fields.
- A desire and aptitude to contribute to a successful and fast-growing educational and research establishment.
- Track record of research and publication in international peer-reviewed journals (or demonstrate potential to develop this, for junior candidates).
- An ability to contribute to different undergraduate and postgraduate teaching programs.

Aspiring junior researchers must have earned a PhD degree, or near completion of their PhD. We are also open to successful mid-career candidates who could qualify for the level of Associate Professor.

### **Applications: Applicants should submit the following:**

- Cover letter including reasons for applying for the post (*i.e.* a specific statement of motivation for joining our Faculty).
- Curriculum vitae including contact information for at least three letters of reference (References will not be contacted until the final candidates have been identified).
- A statement of teaching experience, including course evaluations.

- A statement of research interests and pipeline.
- A copy of two recent papers.

**Only complete applications will be considered.**

Processing of applications will begin in January 2023, until vacancy completion. Appointments will start no later than August 2023.

The level of compensation is competitive within Latin America and will be determined based on education and experience following University guidelines. Detailed information will be provided once the candidate is offered a position.
