DCU Business school is seeking to recruit an Assistant Professor in Technology Management.

The successful candidate will be a member of the Enterprise and Innovation Group in DCU Business School. They will hold (or be close to completing) a PhD in Management or a relevant field such as Strategy, Management of Technology/ Information Systems or Innovation/ Innovation Economics. The successful candidate will ideally have a track record of high-quality research or show evidence of being able to establish such a record. They will teach modules in Strategic Technology Management and associated areas and will also participate in the School's external engagement activities. The successful candidate is expected to contribute to programme management, research supervision and the service activities of the School and University.

Duties and Responsibilities

Please refer to the job description for a list of duties and responsibilities associated with this role.

Qualifications and Experience

Candidates must have a PhD (or be close to completing a PHD) in Strategic Technology Management, Innovation or a related discipline. Previous teaching and research experience is required and a relevant professional qualification, where appropriate, is welcomed. Relevant industry experience is desirable.

We are seeking candidates who have a well-defined research plan and have the capability to publish in high impact international journals. Candidates should have (or be able to develop) international networks and collaborations. Candidates should also demonstrate excellent interpersonal and communication skills consistent with the highest quality of teaching and learning, together with evidence of successful teamwork and a collegial approach.

The successful candidate will play an important role in the further development of the school's national and international reputation, make a significant contribution to the research activity and industry engagement of the School and to the design, delivery and management of programmes at

all levels.

Salary Scale:

Assistant Professor Salary Scale - €57,479 - €92,115

Appointment will be commensurate with qualifications and experience and in line with current Government pay policy

Closing date: *TBC*
