Assistant or Associate Professor in Information Systems Management Position reference ISSC23-AAP-AKA

Audencia (<https://www.audencia.com>) invites applications for a position as Assistant or Associate Professor in Information Systems. The position is for a full-time, non-fixed term contract and is based in Nantes.

Position requirements

We are looking for applicants specialized in Information Systems. Area of expertise should cover **Digital Transformation and Data Analytics. Ability to teach Project Management would be appreciated but is not mandatory.** Applicants shall hold a Ph.D. This position focuses on teaching and program development. Intellectual contributions primarily include producing teaching material such as business cases, still research is strongly encouraged and supported.

Successful candidate shall be able to demonstrate their ability to teach effectively. The teaching associated with the position will be in English, at undergraduate, graduate and executive education levels. Previous teaching experience in English is mandatory. French would be a plus.

Position overview

The new faculty member will join our Department of Information Systems and Supply Chain Management. The department consists of 17 permanent faculty members, 10 of which have a research profile.

The faculty's recent publications in IS include articles in the Journal of Information Technology, Information and Management, Journal of Business Research, Journal of the American Society for Information Science and Technology, The Journal of Trading, International Journal of Information Management...Courses topics in IS include Introduction to Technologies and IS, Data Analytics, Cyber Security, Mathematical Tools, Big Data Management, Strategic Information Systems, VBA ...

There are a number of benefits attached to the contract including an individual research or pedagogical budget, the possibility to apply for additional internal funding opportunities, performance-based bonuses and family medical coverage.

The School

Audencia is triple accredited (AACSB, EQUIS and AMBA) and one of the leading European and French business schools. The school offers a wide range of programs including Bachelors, BBAs, the MS Grande Ecole, MScs, MBA, Executive MBA, European Master in Management, Doctorate and Executive Education Programmes, with 161 core faculty members from 36 countries. The school is very dynamic, has grown significantly in the most recent years and will continue to do so with new positions opening in the future. Audencia fosters both high-level research and high-level pedagogy and has a workload model that allows faculty to place emphasis on either of the two.

Environment

The school has campuses in France and abroad. This position is primarily for the Nantes campus, however some courses might be taught on the Paris campus.

Application

Candidates should send a cover letter, a recent curriculum vitae including a detailed list of publications, recent teaching evaluations, and contact information of three referees by e-mail to: Prof. Thibaut BARDON, Associate Dean for Faculty: faculty-recruitment@audencia.com

Please quote reference ISSC23-AAP-AKA in the subject of your email.

Review of application will begin immediately and will continue until the position is filled.
