### **Assistant Professor in Global Strategy**

#### **DCU Business School**

**5 year Fixed Term Contract**

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world's leading Young Universities and is among the world's top 2% globally. DCU is known as Ireland's University of Impact, with a mission to 'transform lives and societies' and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

#### **Role Profile**

The successful candidate will be a member of the Work, Psychology and Strategy Group in DCU Business School. They will conduct high quality research and teaching in strategic management, global strategy or international business and will also participate in the School's external engagement activities. The successful candidate is expected to contribute to programme management, research supervision and the service activities of the School and University.

#### **Qualifications and Experience**

Candidates must have a PhD (or be close to submitting a PhD for examination) in Global Strategy or a related discipline ([e.g.](#) Strategic Management, Sustainable Management, International Business, Global Leadership) and have a strong academic record. Previous teaching and research experience is required and a relevant professional qualification, where appropriate, is welcomed. Relevant industry experience is desirable.

We are seeking candidates with a well-defined research plan and the capability to publish in high impact international journals. Candidates should have (or be able to develop) international networks and collaborations. Candidates should also demonstrate excellent interpersonal and communication skills consistent with the highest quality of teaching and learning, together with evidence of successful teamwork and a collegial approach.

The successful candidate will have the opportunity to play an important role in the further development of the School's national and international reputation, and to make a significant contribution to the research activity and industry engagement of the School and to the design, delivery and management of programmes at undergraduate, postgraduate and executive levels.
