JOB QUALIFICATIONS

Candidates should have a record of excellence in both teaching and research within their discipline. Research streams on CSR and sustainable development are valued. Fluency in English is required. Speaking French is not a requirement but holding French basic notions will be an asset.

The candidate should:

- Have obtained a PhD from a reputable international institution,
- Show evidence of track record in publishing in top-tier international journals or relevant practitioner-targeted publications,
- Have good networks in academia at regional and international levels,
- Demonstrate ability to teach in academic programs at Bachelor and/or Master levels,
- Demonstrate a high capacity to develop pedagogical innovation,
- Show a desire to actively engage in all areas of Faculty life.

SALARY RANGE

Salary will be commensurate with the rank of appointment, qualifications and experience. As all our employees, faculty members also benefit from French social security benefits and complementary health insurance.

APPLICATION PROCEDURE

Applicants should send:

- a curriculum-vitae,
- a cover letter,
- a research and teaching statement,
- a selection of three representative publications,
- teaching assessments (if available),
- the names and contact information of two referees,

By email to the Faculty Dean: honorine.awounou@isg.fr

APPLICATIONS WILL BE CONSIDERED UPON RECEPTION. THE PROCESS WILL CONTINUE UNTIL POSITIONS ARE FILLED.
