Associate or Full Professor in Public Management **Position reference OSE24-PM-AKA**

Audencia (<https://www.audencia.com/>) invites applications for a position as Associate or Full Professor in Public Management. The position is for a full-time, non-fixed term contract and is based in Paris (Saint-Ouen). Review of applications will begin immediately and will continue until the position is filled.

Position requirements

We are looking for applicants specialized in Public Management in terms of both teaching and research. Applicants shall hold a Ph.D. and demonstrate strong teaching skills with experience at graduate, post-graduate and/or executive education levels in English and French. In line with our school's strategic axes, we particularly welcome candidates whose teaching expertise combine Public Management with areas related to Sustainability and Ethics. The position is open to individuals with different profiles who are able to contribute to the development of Organization Studies and Ethics Department research activities and educational programs in Public management and International cooperation. Therefore, possible areas of research and teaching include Innovation and Transformations in public sector and/or Change Management in public sector and/or Management Control in public sector and/or Human Resources in public sector and/or Public administration/Public policies and/or International Cooperation and/or International Relations and/or Geopolitics and/or International economy and/or Political sciences and/or Urban planning and territorial activities. Demonstrated ability to coordinate educational programmes such as MSc, Master or Bachelor Degree Specializations with a good knowledge of the French public sector organisation would be considered an asset. We also welcome the presentation of evidence of research activity in peerreviewed journals.

Position overview

The new faculty member will join the Department of Organization Studies & Ethics at Audencia Business School. The department consists of 28 permanent faculty members. The research and the courses offered in the department encompass a wide range of topics and have an interdisciplinary outlook grouped into the expertise areas such as Sustainability, CSR and Ethics; Organization

Studies; Human Resource Management; Organizational Behavior. We aim at studying and articulating socio-political and economic developments for building a dignified and sustainable future for individuals, organizations and society. We conduct engaged and impactful research at the individual (employee, leader, manager), organizational (start-up, large companies and SMEs), and inter-organizational (networks, supply chains, ecosystems, stakeholder) levels that enhances scholarship and practice.

The faculty's recent publications include articles in leading academic journals such as Academy of Management Journal, Business Ethics Quarterly, Business & Society, Journal of Business Ethics, Journal of Management Studies, Organization, Human Relations, Journal of Applied Psychology, Organization Science, Gender Work and Organization, and British Journal of Management among others. Faculty members are involved in Editorial Boards of top tier international and French journals as well as renowned academic associations. Distinguished International Affiliated Faculty is supporting our department in relation to research projects development. Our department is alsohome to the Positive Impact Chair.

Salary is negotiable and commensurate with potential and experience. There are a number of benefits attached to the contract including an individual research or pedagogical budget, the possibility to apply for additional internal funding opportunities, performance-based bonuses and family medical coverage.

The School

Audencia is triple accredited (AACSB, EQUIS and AMBA) and one of the leading European and French business schools. The school offers a wide range of programs including Bachelors, BBAs, the MS Grande Ecole, MScs, MBA, Executive MBA, European Master in Management, Doctorate and Executive Education Programmes, with 166 core faculty members from 36 countries. The school is dynamic and international. It has grown significantly in recent years and hopes to continue doing so with new positions opening in the future. Audencia fosters high-level research and highlevel pedagogy and has a flexible workload model that allows faculty to place emphasis on either of the two.

The school has campuses in France and abroad. This position is for the Paris (Saint-Ouen) campus, however some courses will be taught in the Nantes campus.

Application

Candidates should send a cover letter, a recent curriculum vitae including a detailed list of publications, recent teaching evaluations, and contact information of three referees by e-mail to: Prof. Thibaut BARDON, Associate Dean for Faculty: faculty-recruitment@audencia.com.
