THE POSITIONS

emlyon business school Asia invites applications for the following position at Associate / Full Professor level, in:

- **Organizational Behavior & Human Resources**
- **AI / Data Science**
- **Digital Transformation - Information System / Strategy / Supply Chain, etc.**

Qualified applicants are senior or mid-careers, with strong academic interests in: Organizational Behavior & Human Resources / AI / Data Science / Digital Transformation related areas. They are capable of teaching in English (Chinese is a plus). They should have established research record in one or several of these fields and good understanding of the latest digital practice of the industries. They need to be ready to teach different courses (ranging from undergraduate courses, to more advanced executive courses).

Positions above will be open **immediately**.

The compensation package is highly competitive and commensurate with qualification, including annual salary, monthly allowance, housing allowance, premium medical insurance, research fund and other benefits.

JOB REQUIREMENTS

- Applicants must hold a PhD degree in business related areas, and have a strong research orientation. This orientation should be demonstrated by a publication track record in highly regarded international journals.
- Applicants should have strong connection with the industries and demonstrate good understanding of the latest digital practice of the industries.
- Successful candidates should demonstrate good teaching ability at both the undergraduate and graduate levels, including executive programs.
- Successful candidates should have very good communication skills and should be able to teach in English. Chinese speaking is a plus.
- Successful applicants should be based in or be ready to move to China.

THE APPLICATION SHOULD CONSIST OF

- A cover letter including motivation to join **emlyon** business school
- Recent teaching evaluations
- A current vita (with detailed publication information, papers under review, working paper and project in progress)
- A copy of two significant publications or working papers
- The name and contact of three references
- Interested candidates should send email to: faculty-recruitment1@em-lyon.com.cn with title: "Application for **emlyon** Asia - Family name - first name".
- All application materials should be submitted in English. The application materials will not be returned.
