## **INNOVATION: 1 SENIOR PROFESSOR (Teaching oriented, Paris Campus)**

In response to its continuous growth, IESEG School of Management is looking for a full time permanent senior professor in **Innovation & Entrepreneurship** for its **Paris campus** (starting January or September 2025). He/She/They will be a part of the Department of "Innovation, Entrepreneurship & Information Systems".

### **ABOUT IESEG SCHOOL OF MANAGEMENT**

IESEG holds the "**triple crown**" of international accreditations (AACSB, AMBA & EQUIS) and is a member of the "Conférence des Grandes Écoles". The School offers Bachelor, Master and Post-Graduate Degrees as well as Executive Education programs. IESEG is also one of the leading French business schools in terms of research. The IESEG Research Center is accredited by the French CNRS (National Center for Scientific Research). Our Lille Campus is in the heart of Northern France (within the triangle made up by London, Paris, and Brussels), and our Paris Campus is located in the biggest European business district of "La Défense". More information on the school can be found here: [www.ieseg.fr/en](http://www.ieseg.fr/en).

### **ABOUT THE DEPARTMENT**

The department of "Innovation, Entrepreneurship & Information Systems" consists of more than 20 permanent academic staff who teach and perform research in the areas of Information Systems, Digital Transformation, Law, Entrepreneurship, Design Thinking, among others. An overview of our diverse group of professors can be found here: [Innovation, Entrepreneurship & Information Systems Department](#)

### **ABOUT THE POSITION**

**Teaching** will be the main focus of the selected candidate by delivering high-quality teaching at the undergraduate, graduate and postgraduate level in the area of Innovation. He/she/they is expected to actively contribute to the design and development of the school's programs, as well as participate in school service. The candidate should have strong teaching skills and experience in MBA and executive teaching.

As such, we are looking for candidates who are fluent in **English**, as most courses are taught in this language. Knowledge of French is a plus, but not a requirement.

In terms of research, the selected candidate will contribute to IÉSEG's vibrant research community through their research. He/she/they is therefore expected to hold a **PhD** in Innovation or a related discipline and have the **ability to publish in peer-reviewed journals**.

For an appointment at the Associate/Full Professor level applicants are required to have (a) extensive higher education teaching experience; (b) a strong publication record in international refereed journals; and (c) good networks in academia and/or professional circles at regional and international levels.

Professional experience and good knowledge of the industry are a plus.

Finally, we are looking for candidates who embody our core values of **A**ccomplishment, **R**esponsibility, **I**ntegrity, **S**olidarity, and **E**ngagement, and fit our diverse and international culture in which over 50 nationalities are represented. IÉSEG places tremendous value on diversity and inclusion, and we, therefore, encourage applications from all backgrounds. Underrepresented groups in academia (notably women, minority ethnic groups, people identifying as LGBTQIA+, people with a (non-)visible disability, and people from lower socio-economic backgrounds and/or economically developing countries) are particularly encouraged to apply, as we are highly committed to ensuring that IÉSEG reflects and benefits from the diversity present in society.

## **WORKING AT IÉSEG**

At IÉSEG, we are committed to providing a supportive and engaging work environment. To new faculty members (and their partner), we offer a wide range of resources to help them integrate into the country, culture and school, such as individualized French language courses (for faculty members and their partner), a relocation allowance, and housing search assistance. Moreover, all faculty members have access to a competitive salary, as well as benefits such as French social security, a complementary health insurance, meal vouchers, a profit-sharing plan, and a contributory pension scheme. Finally, the school actively promotes research, provides resources for active scholars ([e.g.](#), funding for conferences and data collection) and offers competitive financial bonuses for high quality international peer-reviewed research publications.
