## **INNOVATION AND ENTREPRENEURSHIP: 1 ASSISTANT/ASSOCIATE/FULL PROFESSOR (Teaching oriented)**

In response to its continuous growth, IÉSEG School of Management is looking for a full-time permanent professor in **Innovation & Entrepreneurship** at the assistant, associate or full level for its **Paris campus** (starting spring 2025). He/She/They will be a part of the Department of "Innovation, Entrepreneurship & Information Systems".

### **ABOUT IÉSEG SCHOOL OF MANAGEMENT**

IÉSEG holds the "**triple crown**" of international accreditations (AACSB, AMBA & EQUIS) and is a member of the "Conférence des Grandes Écoles". The School offers Bachelor, Master and Post-Graduate Degrees as well as Executive Education programs. IÉSEG is also one of the leading French business schools in terms of research. The IÉSEG Research Center is accredited by the French CNRS (National Center for Scientific Research). Our Lille Campus is in the heart of Northern France (within the triangle made up by London, Paris, and Brussels), and our Paris Campus is located in the biggest European business district of "La Défense". More information on the school can be found here: [www.ieseg.fr/en](http://www.ieseg.fr/en).

### **ABOUT THE DEPARTMENT**

The department of "Innovation, Entrepreneurship & Information Systems" consists of more than 20 permanent academic staff who teach and perform research in the areas of Information Systems, Digital Transformation, Law, Entrepreneurship, Design Thinking, among others. An overview of our diverse group of professors can be found here: [Innovation, Entrepreneurship & Information Systems Department](#)

### **ABOUT THE POSITION**

In terms of **teaching**, the successful candidate will be expected to deliver high-quality teaching at the undergraduate, and/or graduate levels in areas such as Business model development in entrepreneurial ventures, Raising external funding, Design thinking, and Corporate

entrepreneurship. He/she/they is expected to actively contribute to the design and development of the school's programs, as well as participate in school service. Specifically, he/she/they will play an important role during in the development and implementation of the new Minor in Entrepreneurship (focusing on student entrepreneurs) that will be launched in September 2025.

As such, we are looking for candidates with **strong teaching skills** and who are fluent in **English**, as most courses are taught in this language. Knowledge of French is a plus, but not a requirement.

In terms of research, the candidate will contribute to the vibrant research community at IESEG through their research. He/she/they is therefore expected to hold a **PhD** in Entrepreneurship or a related discipline (or be close to its completion), and have the **ability to publish in peer-reviewed journals**.

Professional experience is a plus, but not a requirement.

Finally, we are looking for candidates who embody our core values of **A**ccomplishment, **R**esponsibility, **I**ntegrity, **S**olidarity, and **E**ngagement, and fit our diverse and international culture in which over 50 nationalities are represented. IESEG places tremendous value on diversity and inclusion, and we, therefore, encourage applications from all backgrounds. Underrepresented groups in academia (notably women, minority ethnic groups, people identifying as LGBTQIA+, people with a (non-)visible disability, and people from lower socio-economic backgrounds and/or economically developing countries) are particularly encouraged to apply, as we are highly committed to ensuring that IESEG reflects and benefits from the diversity present in society.

## **WORKING AT IESEG**

At IESEG, we are committed to providing a supportive and engaging work environment. To new faculty members (and their partner), we offer a wide range of resources to help them integrate into the country, culture and school, such as individualized French language courses (for faculty members and their partner), a relocation allowance, and housing search assistance. Moreover, all faculty members have access to a competitive salary, as well as benefits such as French social security, a complementary health insurance, meal vouchers, a profit-sharing plan, and a contributory pension scheme. Finally, the school actively promotes research, provides resources for active scholars (*e.g.*, funding for conferences and data collection) and offers competitive financial bonuses for high quality international peer-reviewed research publications.
